TO COOK BOSTON BAKED BEANS.
Put your beans which must be small
beans—in cold water, on the back of
the stove to simmer. When the skin
cracks, take them out of pan and pour
off water. You must have a brown
cayenne bean-pot, in which you place
on the bottom a small onion; then
pour your beans into the pot, putting
two quarts of water to a pound of
beans, a quarter of a pound of
salt, a small amount of pepper, and
one tablespoonful of oil. Let the
beans-pot with cold water, and let it
stand in the oven where it will be
very slowly. When water has evaporated,
if the beans are not done, put
in more water. The beans should be
cooked for seven or eight hours, and be a light
brown. They can be warmed up in
the pot for breakfast.
